EXPERIENCE

KWVA Radio

Assistant Marketing Director

February 2024 – September 2025

- Working with a team of peers to promote and upscale the campus radio station at my university
- Using skills in graphic design and video production to create advertising content used on the station's social media pages and around campus
- Collaborating with KWVA departments for on-air, online, and in-person station promotion
- Contributing to the design of promotional items and station merchandise

Las Trampas Swim Club

Lifeguard

Summer 2023, Summer 2025

- Working with team members to keep the pool clean; keep the environment safe and fun
- Acting groundskeeper, given full responsibility for opening/closing the pool alone
- Using communication and leadership skills, often dealing with members of the pool during events, parties, etc. / helping facilitate a safe environment for children

Crumbl Cookies

Team member

October 2022- January 2023

- Worked as a team member at a newly opened location of Crumbl Cookies in Walnut Creek
- Learned and used skills regarding the baking process, handling the register, dealing with customers, and being a part of a larger team
- Learned and used networking and communication skills

Campolindo High School – Moraga, CA

August 2019- May 2023

GPA: 3.7

University of Oregon

September 2023–Present

ADDITIONAL

I love making graphics and posters for musical artists and sports events in my free time. I have used my design skills to make merchandise for a local band in my hometown. I also play the guitar, and I am a big fan of music, fashion, cars, and video games. I have many young cousins and have worked countless hours with young kids at multiple babysitting jobs. I pride myself on working well with children and in teams.
